

The Internal Quality Assurance Cell (IQAC)

Annual Report 2024-25

The Internal Quality Assurance Cell (IQAC) at L. S. Raheja College of Arts and Commerce remains a cornerstone in fostering a culture of quality and excellence. Committed to enhancing educational standards and institutional growth, IQAC has undertaken numerous initiatives throughout the 2024-25 academic year to align with its mission and national educational frameworks.

IQAC Focus Areas: IQAC focuses on five key areas to drive institutional excellence: academic and administrative practices, administration and management, infrastructure, community services, and staff and student welfare, ensuring a holistic approach to quality enhancement.

IQAC has driven several key initiatives to elevate the quality of education and holistic development:

- **Academic Calendar:** Developed and maintained a structured academic calendar to ensure timely execution of academic activities and examinations.
- **Teaching Plans:** Collaborated with departments and Heads of Departments (HODs) to create comprehensive teaching plans with innovative methodologies aligned with learning objectives.
- **Diksharambh:** Conducted orientation programs for new students to ease their transition into college life as per UGC guidelines.
- **Autonomy Status:** IQAC have worked hard and continued support in maintaining and strengthening the institution's autonomous status.
- **Preparation & Implementation of NEP 2020:** Led efforts to implement NEP 2020, with Dr. Samya Shinde continuing as Nodal Officer.
- **School Connect Initiative:** IQAC organized the School Connect Initiative, "School Connect Abhiyan 2.0," to strengthen ties between the college and local schools, with a primary purpose of raising awareness among 9th and 10th-grade students about the National Education Policy (NEP) 2020. Held on January 11 and 14, 2025, the initiative was coordinated by Dr. Rahul Dandekar, with mentorship from Principal Dr. Debajit N. Sarkar, Dr. Parita Desai, Dr. Samya Shinde, Dr. Vaishali Pandya, CA Hrishikesh Wandrekar, and Ms. Suman Bisht, and supported by committee members Ms. Vijaylaxmi Shetty and Ms. Shruti Samant. Dr. Sheetal Zalte, Associate Professor at Smt. Kapila Khandvala College of Education, served as the resource person, delivering insightful sessions on NEP 2020's key features. The program facilitated knowledge sharing, capacity building, and collaboration, bridging the gap between higher education and school-level learning while promoting educational reform awareness.
- **PLAT Test Conducted:** IQAC conducted the Proficiency and Learning Assessment Test (PLAT) as an initiative to improve academic performance. The test was designed to identify slow learners and advanced learners, enabling tailored academic support. Following the assessment, IQAC introduced add-on courses to address the diverse learning needs, enhancing skill development and academic growth among students.
